

# CURRICULUM FOR CHANGE

Our education system is outdated and failing to prepare young people for the world of work. That's why we're campaigning to #MakeEducationWork. **These are our demands:**

1

Practical skills for the workplace

2

Equal access to a range of careers

3

Seat at the table in shaping policy

## #MakeEducationWork

The **By Us, For Us** report is the world's biggest youth-led study on global education since the Covid-19 pandemic.

It has revealed that our education system is outdated and is failing to prepare young people for the world of work.

Now, young people all over the planet are demanding that world leaders **#MakeEducationWork**.
